## NotePage, Inc. White Paper

**Company Name:** Guy Brown

**Web Address:** <http://www.guybrown.com/>

**Industry:** Corporate

### **Business / Organization Description:**

Guy Brown sells office products and managed tailored business solutions and services to help a company run more efficiently.

### **How is PageGate Used:**

Guy Brown uses PageGate in conjunction with SolarWinds for texting alerts. If a network anomaly or system issue occurs a text message is sent to IT or network administrators so that it can be dealt with promptly.

PageGate is also used by Guy Brown to send out inclement weather alerts to all of their employees.

### **Customer Quote/Comments:**

*"If a server goes down at 3 AM when I'm sleeping, a text will wake me up. This ensures that I can fix the issue before start of business."*
