## NotePage, Inc. White Paper

**Company Name:** Tucson Electric Power

**Web Address:** [www.tep.com](http://www.tep.com)

**Industry:** Utility

### **Business / Organization Description:**

Tucson Electric Power provides safe, reliable power to Tucson residents. Tucson Electric Power (or TEP) provides a customers a wide range of incentivized programs to help them reduce their energy costs and build a better future. TEP provides the energy behind Tucson's economy. They deliver safe, reliable power to more than 417,000 customers in the Tucson metropolitan area.

### **How is PageGate Used:**

Tucson Electric Power uses PageGate in their maproom to send outages to their workers in the field. TEP also uses PageGate as a tertiary system so if email fails staff still get server and network alerts via SMS.

### **Customer Quote/Comments:**

*"Great tool and has the best support on the market. keep it up!!"*

*"Pagegate is a simple tool that has an easy learning curve for new employees."*
